

## Application to be an iATS Tester

### 1. Introduction

The Independent AirTightness Testing Scheme (iATS) is an authorised Competent Persons Scheme created for companies (including sole traders and partnerships) that carry out air tightness testing activities.

We are dedicated to ensuring that our Air Testers provide quality and accurate air tightness testing certificates for developers and building control bodies.

Our leading air tightness testing scheme provides reassurance to clients that the work is carried out to a high degree of quality and integrity.

Please note that separate forms are required for all new testers, including those joining an existing iATS approved member organisation.

Please read and fully complete this application, providing us with all the information required. Insufficient detail and missing documents will result in applications being delayed.

### Fees

For new applications there is a a initial joining fee of £95.00 plus VAT. There is also an Annual Registration Fee, which is determined by :

1. the air tester level you are applying for and/or
2. the number of iATS registered Testers in your organisation.

Following receipt of your application, you will receive an immediate payment invoice within 2 working days. Payment must be made before you will be set up as a registered iATS Tester and receive our welcome pack.

For all other fees please see our [Price List](#).
